

Fact Sheet

Business Name	National Society of Paranormal Investigation and Research, Incorporated (NSPIR).
Corporate Overview	The National Society of Paranormal Investigation and Research, Incorporated (NSPIR) is a 501(c)(3) non-profit organization established to provide public education in matters of paranormal interest and to conduct research and scientific investigations of paranormal activity.
Company History	NSPIR was founded in 2007 by two individuals who believed that more emphasis needed to be placed on educational outreach and utilizing scientific principles while conducting paranormal investigations than what was currently available, primarily from television shows and amateur ghost hunting groups. Since 2007 NSPIR has established an educational public meet-up group which has grown to include more than 400 members, and has also conducted a variety of scientifically structured private and public investigations with their own team of highly trained investigators.
Key Products and Services	<p>NSPIR is staffed with dedicated volunteer investigators and scientists whose goal is to conduct free and confidential science-based investigations for those individuals who may be experiencing paranormal activity. NSPIR uses a combination of data collection equipment as well as sensitive individuals to guide the use of the measuring instruments.</p> <p>NSPIR provides educational outreach to the public in the form of seminars and other public appearances.</p>
Certifications	Federal Internal Revenue Service 501(c)(3) non-profit tax exempt status.
